

## *Invitation to an Information Sharing Session (ISS) for youth organizations*

The National Commission on Research Science and Technology (NCRST) was established in accordance with Section 4 of the Research, Science and Technology Act, 2004 (Act 23 of 2004) to provide for the Promotion, Coordination and Development of Research, Science, Technology and Innovation (RSTI) in Namibia.

The NCRST is intent on issuing a Call for Proposals from Youth Innovators, however prior to this, it is important for us to engage all Youth Stakeholders and Organizations in order to exchange views and information.

This platform will enable Namibia's youth organizations to become familiar with the NCRST's mandate, and likewise the NCRST will familiarize itself with the activities of Namibia's Youth Organizations.

**The NCRST would therefore like to invite one representative from recognized Youth Organizations to a one (1) day Information Sharing Session to be held in Windhoek on 19 February 2015.**

Kindly request for a registration from Ms. Martha Taapopi via e-mail: [mtaapopi@ncrst.na](mailto:mtaapopi@ncrst.na). For enquiries, please call +264 61 431 7026

CLOSING DATE:

Friday, 13 February 2015
