

## **National Science, Technology and Innovation Festival 2015**

Do you have a creative idea for a scientific or technological invention? Do you want to change the world? Do you want to have fun doing it? Well guess what, we want to help you become the next Big Innovator!

### **The Big Innov8 Competition:**

To enter send us your creative idea for a new science or technology invention. Your idea does not have to be fully practical or be a working demo, but we need to have a clear understanding of what you want to create and what the objectives of your invention would be.

You may enter as a team of up to five (5) Secondary School learners. You can send us your idea through completing an entry form, by sending us a drawing or illustration, or a video of team explaining your idea.

### **Prize:**

The winning team of five (5) secondary school learners will be sponsored to attend the National Science, Technology and Innovation Festival 2015. The winning team will also win promotional prizes and laptops.

### **Copyright:**

The winning entry will become the property of the NCRST and will be used to advertise the National Science, Technology and Innovation Festival 2015.

The winning entry is subject to change or modification as deemed appropriate by the NCRST for the purposes of poster and bookmark rendition.

### **Competition Rules:**

- Names of all learners in each team should be provided, including contact details to [info@ncrst.na](mailto:info@ncrst.na)
- The Innovative idea should be entered via entry form, or by sending us a drawing or illustration, or a video of team explaining your idea
- The innovative idea must be an original unpublished work which you have created.
- Only one entry can be submitted per team of five learners
- Each learner will be notified once his/her entry has been received by the NCRST
- Once submitted, the entry cannot be altered and re-sent

- The idea, once submitted, shall become the property of the NCRST and due recognition of the designer and their school will be accorded
- The closing date of the competition is Friday, 29 May at 17h00
- NCRST staff members, members of the Organising Committee and their family members may not take part in the competition
- Only the winners will be notified

**CRITERIA FOR JUDGING:**

- Creativity
- Originality
- Submission of entry in the appropriate format

## THEME AND POSTER CONTEST ENTRY FORM

**Deadline: No later than 29 May 2015**

**Please review and check the following:**

- We have read the Rules and Guidelines for the competition and agree to abide by them.
- We attest that the idea is the original work of the team named below.
- We have attached my drawing (optional)
- We understand that upon submission, this entry becomes the property of the NCRST, which retains and reserves all rights to the entry including rights of reproduction, distribution, and display.
- We further understand that should this entry be chosen as the winning design, the NCRST may graphically render it or modify it in any way they deem appropriate.

Describe your innovative idea:
